# ABOUT US

Where integrity, trust, and vision shape every detail.

## Audi Snýman

CEO / Manager

Audi's approach is deeply personal. She believes in meaningful partnerships, not transactions. She is known for intuition — the ability to sense what a space wants to become long before it is built. Clients describe her as meticulous yet grounded, confident yet compassionate. Every detail carries both technical excellence and emotional intention.

*"It's not just about how a space looks — it's about how it feels, how it flows, and how it serves the people within it."*

# ABOUT OUR TEAM

Award-winning Audi Snýman Interior Architecture and Interior Design studio specialises in planning, designing and curating unique and customised interior spaces for bespoke homes, exclusive developments, boutique hotels and luxury lodges across the globe. The interior firm partners with architects and developers to deliver a comprehensive turnkey design and implementation service.

Over the past thirty years the firm's founder, Audi Snýman, has successfully led diverse creative teams in guiding full turnkey design solutions and earning the firm's well-deserved reputation: for championing its clients' vision and consistently delivering world-class interior services that encompass architecture, design, and turnkey project management.

*"Audi and her team guide their clients with calm clarity and professional assurance, through every stage of a project.*

*Their approach transforms complexity into confident decision-making," say the Lorenzo Family.*

*"They manage and protect each investment with a value-based approach, technical expertise, and financial accountability. I highly recommend working with them."*

In collaborating with prominent architects, the design team achieves an effective balance between budget and execution, between client vision, architectural vision and artistic interior flair, while merging practicality with aesthetics, and elegance with sustainability.

# SPISOULI MANOR

*Spirit. Soul. Light.*

## SPISOULI MANOR

### “Vibrant Artistic Layers”

Audi Snyman Interior Architecture & Design was commissioned to create a vibrant and luxurious interior for SpiSouLi Manor, a contemporary family residence defined by colour, art, and bespoke craftsmanship.

The home’s character is expressed through a curated collection of statement pieces, including a baby grand piano, custom steel sculptures, and hand-blown glass artworks by leading South African artists. A dramatic six-metre chandelier made from repurposed glass anchors the double-volume space, casting light across richly layered interiors.

Throughout the home, bold furniture, playful colour accents, and carefully commissioned artworks create an atmosphere of elevated comfort and personality. Bedrooms maintain a calm palette of greys and natural woods, while children’s rooms introduce individual character through colour and art.

Natural light, reflective glass, and warm wood finishes weave through the residence, creating interiors that celebrate spirit, soul, and light.

# GORGEOUSLY GRAND

GORGEOUSLY GRAND

“Timeless Blue Neutrals”

Audi Snyman Interior Design curated the interiors of this elegant family home, where symmetry, light, and refined materials create a sense of quiet grandeur. A dramatic staircase beneath a sculptural chandelier anchors the double-volume entrance hall, introducing the home’s theme of layered lighting and balanced composition.

Neutral tones are enriched with textured finishes and accents of deep blue, woven through artworks, furnishings, and bespoke details. The open-plan kitchen, dining, and living areas combine understated luxury with functional design, complemented by handcrafted pieces and custom lighting features.

Entertaining spaces extend from indoor lounges to outdoor terraces, bars, and leisure areas designed for relaxed gatherings. Upstairs, family lounges and bedrooms continue the theme of calm sophistication, while the master suite offers a serene retreat with soft textures, natural materials, and elegant detailing.

Throughout the residence, light, symmetry, and curated craftsmanship define a timeless and welcoming family home.

### “Grounded Natural Palette”

Audi Snyman Interior Architecture & Interior Design was commissioned to transform an existing family home into a contemporary residence rooted in nature, art, and craftsmanship. The 460sqm interior unfolds as a layered composition of textures, colours, and bespoke furnishings, where wood, stone, leather, and textiles create a refined yet comfortable living environment.

The home takes its name from the concept of origin and grounding, reflected in a rich, earth-inspired palette and curated artworks. A striking Ramarutha Makoba painting welcomes guests at the entrance, setting the tone for interiors shaped by maturity, reflection, and warmth.

Natural light pours through double-volume windows, connecting interior spaces with the surrounding garden and reinforcing the home’s forest-like atmosphere. Bespoke cabinetry, handcrafted furniture, and layered textiles create inviting bedrooms and communal spaces.

Throughout the residence, art, materials, and thoughtful detailing combine to form a harmonious environment that celebrates nature, comfort, and contemporary living.

# MAISON BENIE

*a Blessed Home*

## MAISON BENIE

### “Monochrome Metallic Contrast”

Maison Benie is a 1,800sqm contemporary luxury residence curated by Audi Snyman Interior Design. The brief called for interiors that reflect individuality, understated opulence, and the homeowners’ love for refined living and family-centred entertaining.

A golden thread of brass, bronze, and bespoke detailing runs throughout the home, layered with rich textures, custom furniture, and striking contrasts of black, white, and warm metallic accents. Expansive glass openings create a seamless connection between interior and outdoor living spaces.

Designed for both relaxation and entertainment, the home includes a gentleman’s bar, a champagne bar, wine cellar, spa with salon and therapy room, private cinema, and multiple leisure areas.

Private spaces continue the theme of luxury and comfort, with a serene master suite and individually designed en-suite bedrooms for each family member.

Maison Benie is a highly curated residence where bespoke craftsmanship, art, and contemporary design create a cohesive atmosphere of warmth and sophisticated living.

# DANGILOU *a Country Retreat*

## DANGILOU

### “Burnished Earth Tones”

DanGiLou is a warm and refined country retreat curated by Audi Snyman Interior Architecture & Design. The home’s interiors combine bespoke craftsmanship, rich textures, and carefully curated artworks to create an atmosphere of relaxed luxury.

Custom mahogany furniture and timber-tiled floors provide a sophisticated foundation, complemented by intricate Persian rugs and a palette of soft creams, greys, warm browns, and copper tones. Sculptural lighting and handcrafted details appear throughout the home, adding layers of character and warmth.

The open-plan living spaces are designed for both comfort and entertaining, with flexible lounge areas, a bespoke oak bar, and a custom dining setting that invites long, shared meals. In the kitchen, a striking blue gas stove with gold detailing forms the focal point, echoed in subtle metallic finishes throughout the space.

Upstairs, the pyjama lounge and five bedrooms continue the theme of layered textures and bespoke design, while the master suite offers a serene retreat inspired by five-star hospitality.

DanGiLou is a home where thoughtful design, natural materials, and curated artistry come together to create a timeless country sanctuary.

# SINGULARLY STYLISH

SINGULARLY STYLISH

“Masculine Neutral Textures”

Audi Snyman Interior Design was commissioned to create a warm, bespoke interior for this contemporary bachelor residence. Designed as a refined yet relaxed living environment, the two-bedroom home balances masculine sophistication with subtle African influences.

A natural palette of greys, oak, and layered textures establishes a calm and elegant atmosphere throughout the open-plan living spaces. The kitchen integrates high-end fittings and thoughtful detailing, combining functionality with understated luxury.

Custom elements and curated South African artefacts introduce personality and artistic expression across the home. Upstairs, the study, bedrooms, and dressing areas continue the theme of textured warmth through layered textiles, metallic accents, and bespoke cabinetry.

From the seamless indoor-outdoor connection to the carefully curated finishes, the residence celebrates modern masculinity through comfort, craftsmanship, and distinctive contemporary style .
