Pay homage to your heritage by adding some South African-inspired prints from Volpes to your home. Volpes's latest linen collection offers a mix of script, florals and botanicals on a natural base with pops of clay. Many of the machine-washable quilt sets are made from 100% cotton, making them perfect for warm summer nights. Volpes also offers beautiful scatters, featuring elephants, aloes and local greenery. Make cooking a cinch with a Sublime Oven from Rosieres. With its tactile electronics, it's possible to manage all your oven functions with the touch of a button. This includes steam functionality to ensure healthier meals. You can even control functions remotely by selecting the temperature and setting the time via an app on your smartphone. The sober lines and unhooked stainless steel of the Rosieres oven collection will complement any contemporary kitchen. [www.shoprosieres.co.za](http://www.shoprosieres.co.za)

Available in a range of popular colours and four different sizes, the tribal dining table from SHF Home is the epitome of industrial chic. This 1.9m table made of engineered oak and mild steel is ideal for smaller families. [www.shf.co.za](http://www.shf.co.za)

Add flair and personality to your bathroom by including porcelain tiles from Ferreira's Versace collection. Powerfully oriented towards design, this range offers various sizes and a six-hue colour palette with gleaming onyx inflections. [www.ferreiras.co.za](http://www.ferreiras.co.za)

With the heightened focus on hygiene, opt for a BAGNODESIGN touchless flush plate from Destinkt. Bathroom Solutions. With a wave of your hand you can choose a single or double flush option. Electronic flush plates are more durable than a manual flush valve as there is less wear and tear. Choose from a range of sleek finishes that include matt black, chrome, gold, anthracite and gloss white. [www.destinkt.com](http://www.destinkt.com)

Pretty but tough, ShutterGuard Aluminium Security Shutters from Taylor Blinds offer a secure and sophisticated solution for windows or doors. Enjoy high-end security without compromising the aesthetics of your home. Made to measure, the shutters are also available in custom colours. [www.taylorblinds.co.za](http://www.taylorblinds.co.za)

## HOME ESSENTIALS

Enhance the spa-like feel of your bathroom by opting for heated towel rails from Jeeves. Once viewed as a luxury, these rails have become a bathroom essential as they ensure a constant supply of warm and hygienically dry towels. As an added bonus, they will also help save water and electricity as you won't need to wash your towels as frequently. [www.jeeves.co.za](http://www.jeeves.co.za)

There's no need to rely solely on electricity when it comes to your security lighting needs. Enjoy peace of mind by placing solar lights, such as this cube-shaped motion sensor, near your front door in case you arrive home during load shedding. It is also rechargeable.
