Shades and textures of grey and oak create a sense of calm that is brought to life with splashes of vivid colours, luxurious textiles and remarkable South African modern art. The oversized L-shape couch invites unadulterated relaxation – whether in solitude or company, with a laptop perched on your knees concluding the day’s business, deeply engrossed in a good book or appreciating some on-screen entertainment. The room soothes and calms the mind, offering peaceful distraction from the buzz beyond its walls.

**LEFT:** Contemporary, modern, uncluttered sophistication reveals touches of magical, but not overpowering, detail. The loose box natural oak bookcase is featured as the star of this stairwell. It hints at the passion of the home owner and alludes to the story that is told throughout the apartment, while inviting further exploration.

**“I was briefed to create a warm and luxurious contemporary interior.” – the interior designer**

**C**omfortable and classy – that was the brief for this new three-bedroom home.

Recently acquired from the estate, the owner knew from the start exactly what he wanted from the space: a simple modern house with a mature aesthetic.

The owner handed the blank canvas over to the interior designer for her to work her magic and turn the shell into a haven.

Considering the owner’s personality and things he enjoys most, the interior designer created an inviting space that boasts discerning taste. The designer says: “I was briefed to create a warm and luxurious contemporary interior that created multiple spaces within which the home owner, an avid reader, could escape into the pages of his books. However he >

**LEFT:** An infusion of stylish comfort is an underlying theme that runs through every room in this modern, contemporary bachelor’s pad. The naturally neutral palette and layered textures cater for both physical and spiritual comfort. This exclusive mood is further reinforced by stylish, cosy furnishings and a warm ambience.

didn't want to do so at the exclusion of the well-being of others, so requested that we easily establish shared spaces that encourage companionship. The beautifully stylish yet calm mood created was met with ecstatic appreciation and approval."

Commenting on his home, the owner says he loves the furniture: "All my furniture was custom-made for my house. I love all of it and anyone who has been to my home complements the pieces curated."

The owner explains how he loves his home: "I actually cannot explain the feeling I get from my home and being in this space. I love coming back home from being out, >

**RIGHT:** Splashes of sunshine are brought into the living area via natural textiles, glass and light. The different textures and patterns in the artworks and lamp are appealing to the eye, and the layering of the greys, browns and metallics exude a warmth that ignites the desire to linger in this space.

**BELOW:** Alive Art supplied all the exceptional art in this contemporary apartment. Specialising in both local and international artwork, Alive Art has a large selection and offers a personalised service where a consultant can come to your home to advise on art curation and framing.

**ABOVE:** The custom-designed, functional and luxuriously simple dressing room is spacious and allows ease of movement while getting ready to go out. Its uncluttered contemporary décor offers an environment that doesn't distract from the task at hand and camouflages ample storage space. Its chest of drawers and server conceal deep, wide spaces that can accommodate at least 100 pairs of shoes. Tall wall mirrors allow the owner to reflect on the full picture ensuring top-to-toe perfection before stepping out.

because every part of this house has a way of making me feel warm and welcomed, wanting to linger longer."

Definitely a space this bachelor can retreat to after a busy work day, this home shows exquisite style and captures the owner's lifestyle, making them the perfect fit. 🏡
